

# CAMP MOUNT LUTHER

*Camp Mount Luther, as a place set apart by God, provides the means for worship, study, recreation, and Christian fellowship on 400 acres in Union County, PA. The camp proclaims the gospel of Jesus Christ, in the beauty of creation, serving the Upper Susquehanna Synod (ELCA) and the Episcopal Diocese of Central Pennsylvania (ECUSA). Mount Luther makes Christ known through outdoor ministries to children, youth, adults, and families from Central Pennsylvania (and beyond) as they experience God, nature and service.*

## **Experience God**

Camp Mount Luther is committed to serving and being in partnership with the interdenominational, interfaith, and broader community. We live in an intentional Christian community largely based on small group camping. We provide a staff trained in providing a safe emotional and physical experience for participants to grow in their faith.

## **Experience Nature**

God has given us much to care for and therefore we promote environmental education, stewardship, a love for the outdoors and recreating in God's creation. This includes regular nature activities, recycling, outdoor education and teaching the "Leave No Trace" ethos to participants. We encourage Christian and effective use of outdoor leisure time and promote good sportsmanship.

## **Experience Service**

Created as children of God, we strive to improve participants' sense of self worth, helping them discover their identity and vocation. Through that discovery, we promote service to others and Christian hospitality. We encourage participants to live a life of discipleship and Christian leadership.
